THE HILLTOPPER 1965

Rocky Grove High School

Franklin, Pennsylvania

Our high school years are like a stream channeled by chance and by choice, surging, rambling, and swirling into an eddying bay, pouring its life in the ocean, the world.

In our junior high school years the water is just a small stream barely covering its rocky bed. Advancing into our last three years, the stream grows larger into a river. The roar from this river grows mightier as it approaches the vast ocean which lies ahead. Our purpose is to recall the surges, ramblings, and the swirls of the current of this year, nineteen hundred and sixty-five.

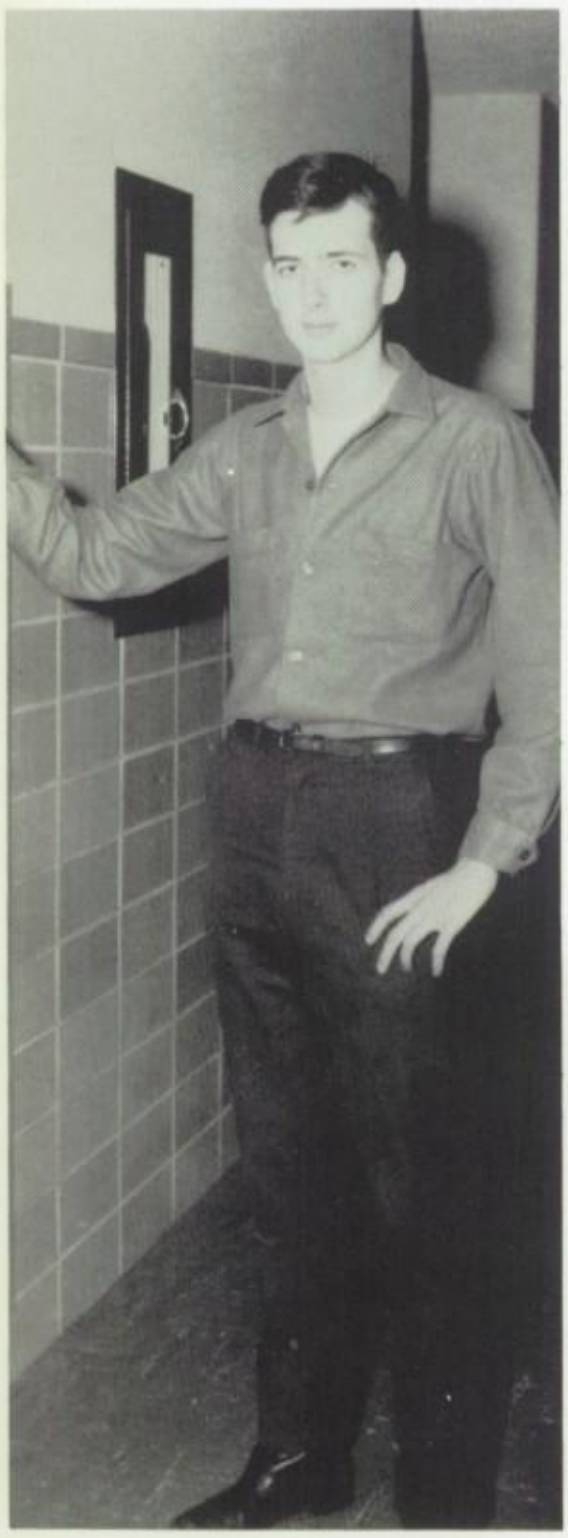
Dedication

We, the Senior Class of Rocky Grove High School, dedicate the 1965 HILLTOPPER to Mrs. Elizabeth Weaver.

You, Mrs. Weaver, have been a strong beacon of light in guiding us to the end of our stream. When the current got rough for us you were always there to get us back on our course.

We honor you not only for your outstanding encouragement to your students but also for your service and allegiance to our school. Your contribution to the Publicity Staff and the Radio Broadcasts have helped Rocky (Grove) to become a well known school throughout the area.



BRIAN McCLELLAND
V. F. W. Voice of Democracy
State Champion.

Education and

The academic status of Rocky Grove ranks among the best in the area. Recently accredited, our school produces superiority in many scholastic achievements, and unceasingly manages to turn out excellent examples of talent.

In competitive action, Brian McClelland won the V. F. W. Voice of Democracy contest and the American Legion speech contest. Also, in many other contests, students did commendable jobs, and stood high in area and state competition. The Scholastic Aptitude Board, as well as the Preliminary Scholastic and the National Merit Scholarship Boards, recognized many outstanding students.

The curriculum of the school calls for keen and alert minds. A person who doesn't apply himself will be left on the sidelines as the stream of subjects goes progressively by. As depicted in the photograph, the life is hard, and sometimes disheartening, as errors and miscalculations cause the downfall of many a student, but willpower and determination are the keys to success. As long as a student has these attributes, he will be sure to succeed in life's stream.

Aside from the turmoil of education, our school provides us with much enjoyment and entertainment. Professional assemblies, featuring persons such as Kenneth Goodman, organist, break the seemingly neverending atmosphere of scholastic instruction. Some provide education, some depict just sheer enjoyment.

Dances and hops accomplish recreation for the students. The Spring Dance, Rock Talk dance, the after game Hilltopper dances, as well as the memorable Prom, allow experimentation in the various dance crazes that come and go so quickly, and present beautiful atmospheres of entertainment.

The school also provides us with many extracurricular activities, to entertain, amuse, and to teach. These various activities are instructed by able teachers who are capable and willing to offer their time for the benefit of the students.

Entertainment

The Talented

The spotlight now centers upon those students who, through extra effort in various activities, have excelled in numerous fields.

Diane Flickner, our D.A.R. award winner, has contributed much in leadership, scholarship, and social progress to better herself and others. Helen Dalmaso, the outstanding Bausch and Lomb Science Award winner for the outstanding science students, ranks high on the list of scholarly students in our school. Our cook of the year, Sharon Overmoyer, won the Betty Crocker Award, which is given to the outstanding homemaker of the school.

For the musically inclined, there are awards such as the all-Eastern district chorus, of which three of our students were members.

Finally, for those interested in the theater, the Junior and Senior plays provide an enjoyable means for those so talented to exhibit their skills.

This year, for the first time, our school has participated in the American Field Service program. The project was initiated by our Student Council in cooperation with the community.

Kathy Chagas, our first RGHS foreign exchange student arrived here in August. During her stay Kathy studied with the Class of 1965 as well as participated in many activities. Kathy's warm personality and friendly smile gained her many friends and much admiration. Her American sister was Linda Riddle, daughter of Mr. and Mrs. H. O. Riddle, with whom Kathy lived.

To the faculty and students of Rocky Grove,

In a short time I will be returning to Brazil, my native country. This opportunity to be in the United States which I will never forget, could not have been made possible without your help and consideration.

I am proud to say that I was a member of the big family of Uncle Sam. It was the realization of one of my fondest dreams. Many Brazilians would like to come to the United States because they have heard that this is a friendly country. Now that my experience here is almost over, I can be more than sure that this is true. The friendliness and cooperation that you have extended to me has shown me this. Although at times the work was hard for me, there was usually someone near, who would have the patience to help me, in school or at home. Someday maybe I can repay you in some small way if you ever visit my country.

Thank you for everything and now I ask of you just one more favor. Be proud that you are an American and stand up for your country. It is a great nation.

Sincerely yours,

Kathy Chagas

FACULTY AND ADMINISTRATION

A lighthouse represents the faculty; its rays, the knowledge and guidance extending out to the students giving them the necessities that are essential for a successful voyage across life's vast oceans.

Seniors:

You are leaving a stream - a way of life - in which you have been directed and protected. Now you are about to enter a larger and faster stream of life. The competition for positions and courses in this broader stream will quicken and become sharper as you travel.

If your ship is constructed of planks symbolizing sound education, vigorous health, and high ideals, undergirded with sterling character and reliable habits, you will be able to set the course straight for your goal.

If you lack some of these qualities, you will have difficulty aiming at the goal and keeping a straight course. If you have no goal - no definite course in mind - you will drift, subject to every wind and current of adversity. You will float thither and yon - and probably end in a muddy eddy, where you will find only discontent, unhappiness, and misery.

Which will you do? Choose your goal! Build your vessel well! Success to you!!

R. Glenn Carter

TO THE CLASS OF 1965

Dear Seniors:

Set before yourself a great and definite life purpose. Hidden away in your inmost soul is a transcendent ideal capable of realization. What you need is not more capacity or greater opportunity, but increased resolution and concentration. Nothing will give you so much pleasure as the consciousness of making daily progress toward a great life purpose.

Sincerely,

Ardell L. Feeley

FRONT ROW: B. V. Borger, President; Bredin Houser, Vice President; John R. Sibley; Ralph J. Porterfield

BACK ROW: R. Glenn Carter, Superintendent; Oran Moorhead; Charles Boals; Mrs. Ruth E. Shay, Secretary

Meeting regularly once a month, the school board has made many plans during the 1964-1965 school year. Although little known to most students, the school board is faced with the important tasks of forming school policies, keeping the school provided with necessary equipment, and helping the school to run smoothly. We owe our sincerest thanks to these people who devote much of their time and energy to improve our school.

the Past, Future in

In the six years required history program a student can learn about the past, present, and the future of his world, his country, his century, and his government. Through history one may learn of the developments of many different countries. He may also learn of the origin of his own government and how it functions.

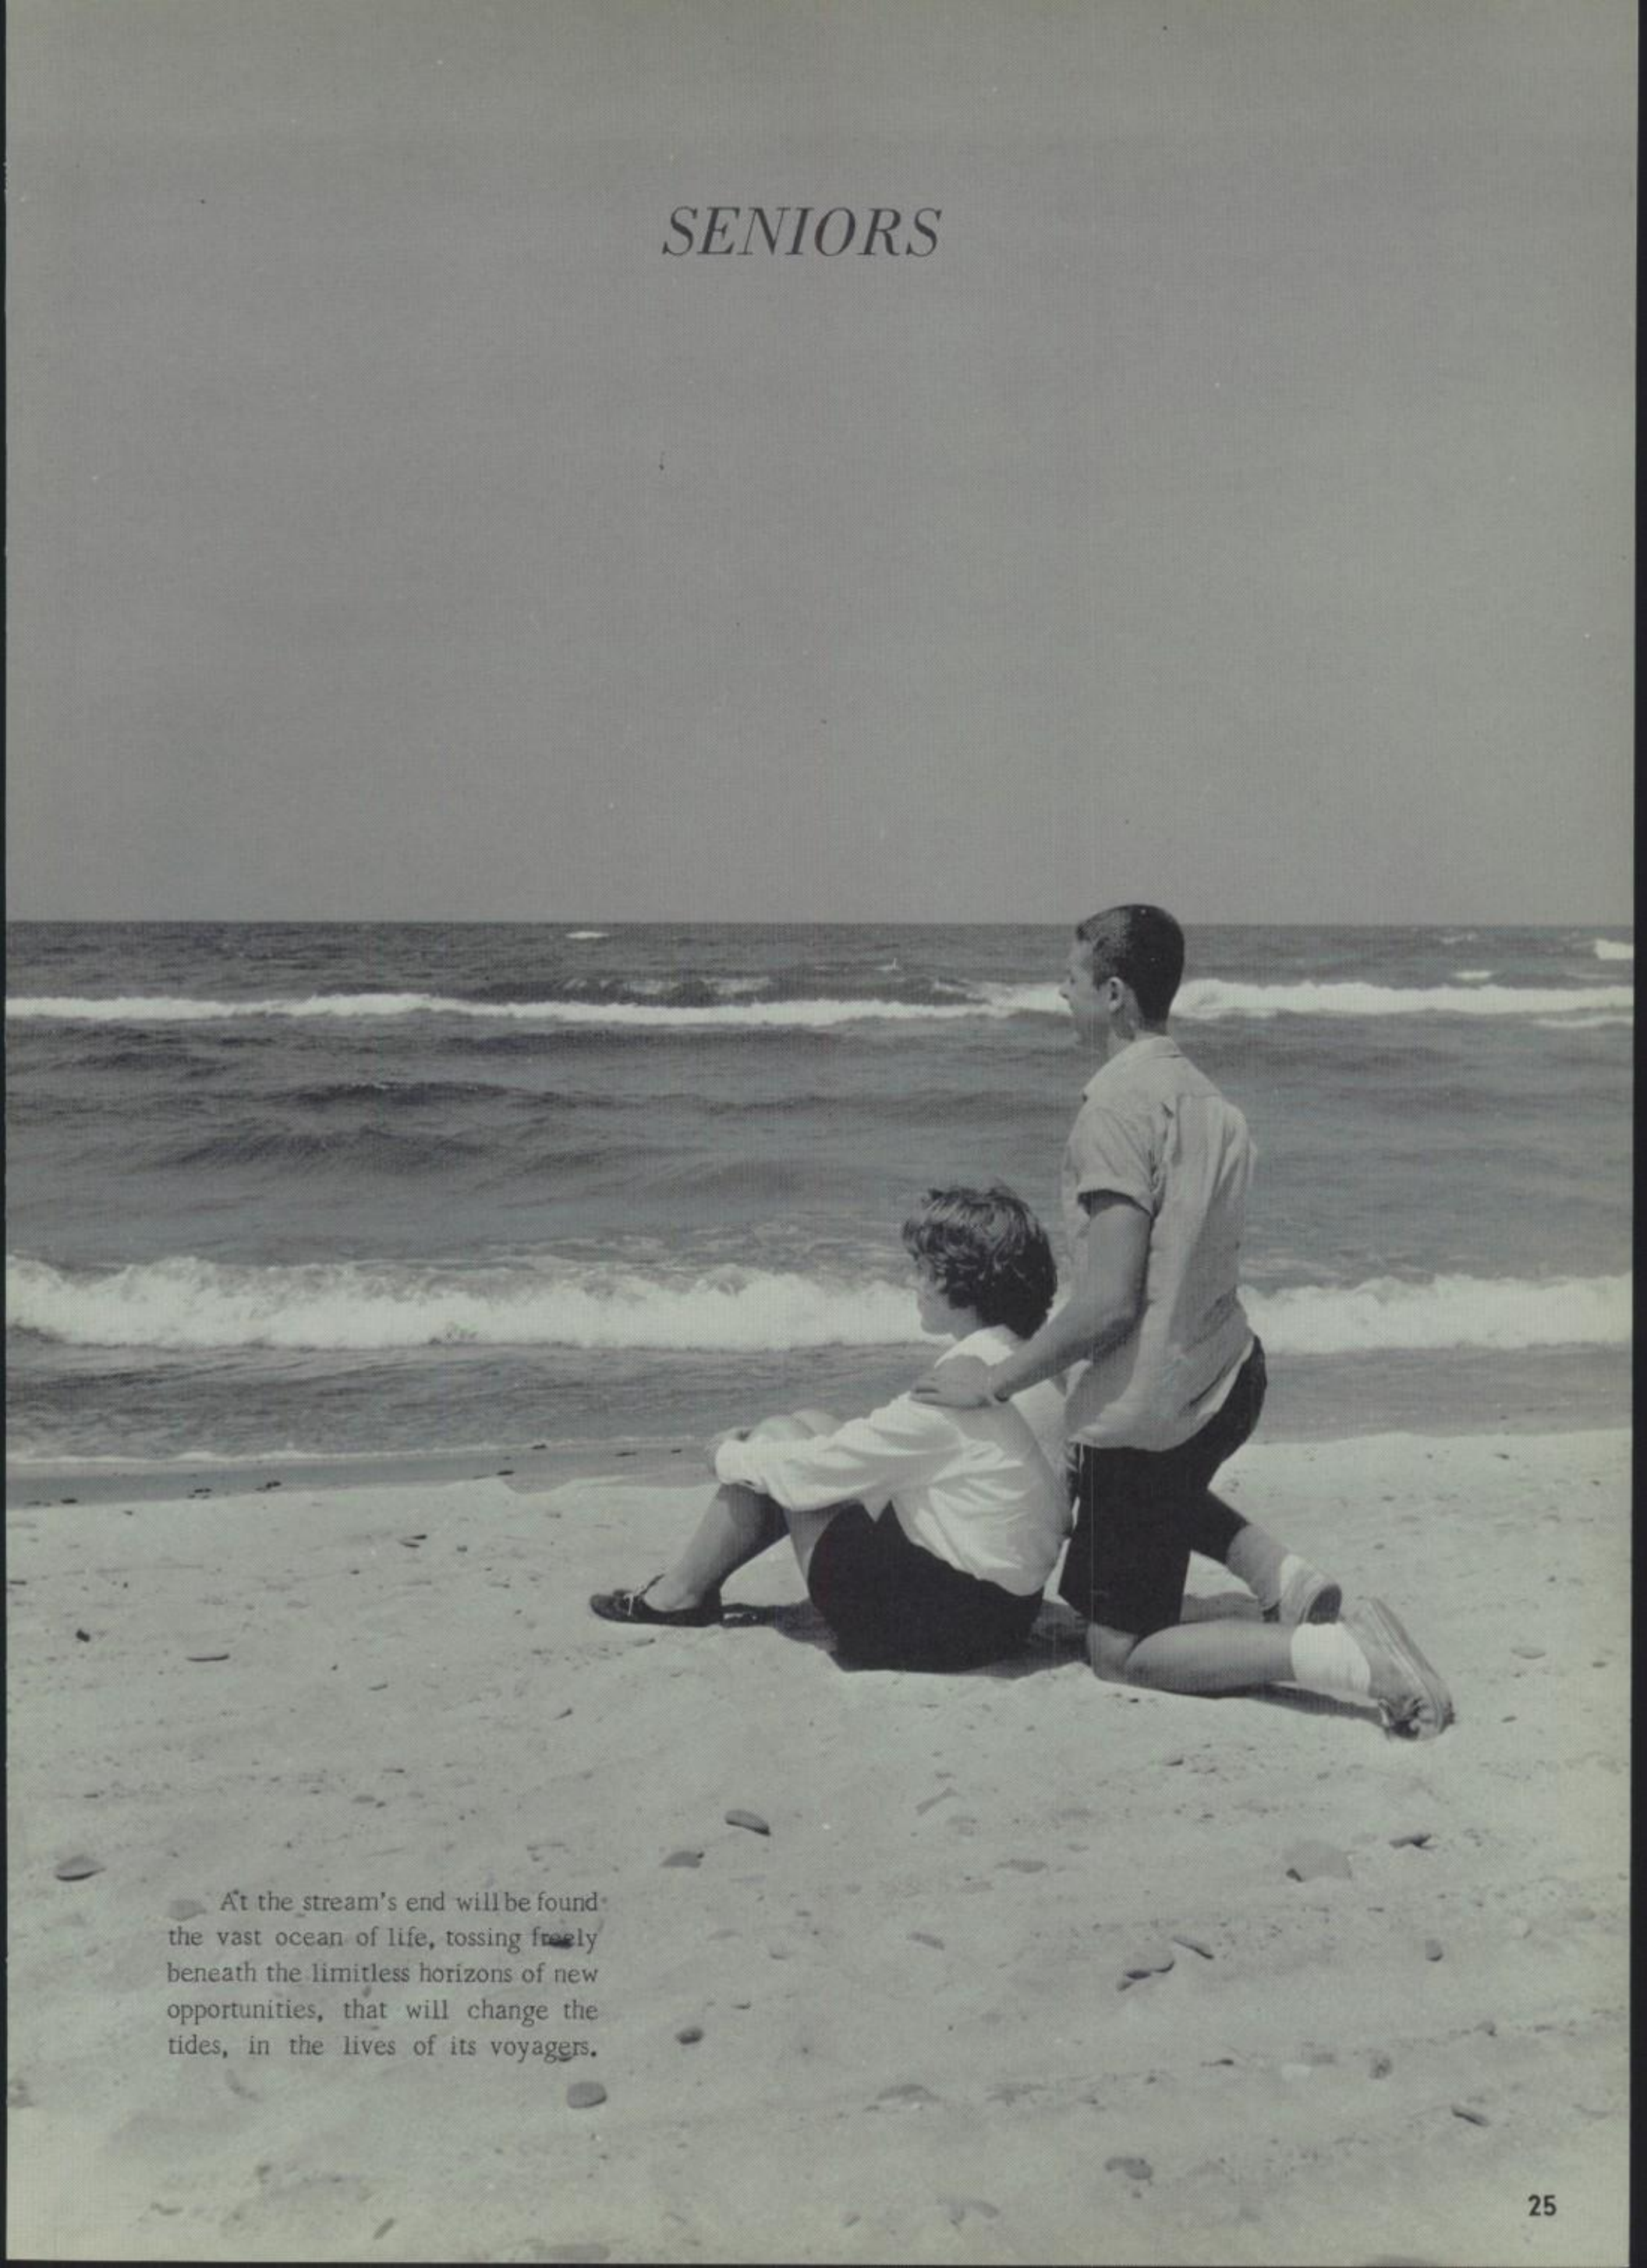
SENIORS



At the stream's end will be found the vast ocean of life, tossing freely beneath the limitless horizons of new opportunities, that will change the tides, in the lives of its voyagers.

The senior year of any class is the busiest and, perhaps, the most important. Strong leadership is needed to guide and direct the Class's activities.

Buddy Hogue, our competent and industrious president, has continually set a good example for us to follow.

Diane Flickner, our vice president, has contributed much to our success through her hard work and support in all our class projects.

Louise Smith has uniquely fulfilled her job as secretary by combining the qualities of neatness and dependability in keeping the records of our class meetings and correspondence.

Tim Haag, our treasurer, has done a commendable job in collecting our class dues and recording the frequent class transactions.

Last, but by all means not least, is Mrs. Savage, our advisor, who has guided us invaluably this past year and to whom we give our special thanks.

JUNIORS

Near the end of its course the stream begins to take a steadier course. The wildly tossing rapids grow still. As the hazy horizons begin to appear as a more explicit pattern, we realize that this is the time and the place that our lives begin to take on a definite and distinctive pattern.

Rings, prom, banquet, and the turning of Mrs. Nicol's hair gray have all been a part of our industrious Junior year. The class of '66 has established itself as an intrinsic part of Rocky Grove High School.

JUNIOR HIGH

At the entrance of the stream in our lives, when every insignificant gurgle seems to us to be the greatest typhoon that could ever exist, and when every pebble in our path appears to be impassable, we will find that over every pebble comes experience, and behind every waterfall is the knowledge that will extend our banks to shores, and our shores to continents.

Prizes, prizes, prizes, and prizes

The annual Magazine Sale held by the junior high was again a very profitable success. $1306.99 profit was earned from this sale. The year's total set a new school record for the highest profit. From this sale we can see that our students are proud of Rocky Grove High School and are very willing to work to make our school the best.

The twelve member committee which spearheaded the sale was directed by John Boughner, the Student Manager. Mrs. White and Mr. Gibb are the faculty advisors.

Student Council

Industrious and enthusiastic students make a dynamic student council. Action was the by-word as the student council provided buses to all away basketball games, planned for next year's assemblies, and initiated our foreign exchange student program. Also, the student council, advised by Mr. Albright, enacted plans for better and more orderly student conduct for the halls and cafeteria. Not only did our student council solve the many student-administration problems, but it also provided the chance for many of our students to participate in a form of democratic government.

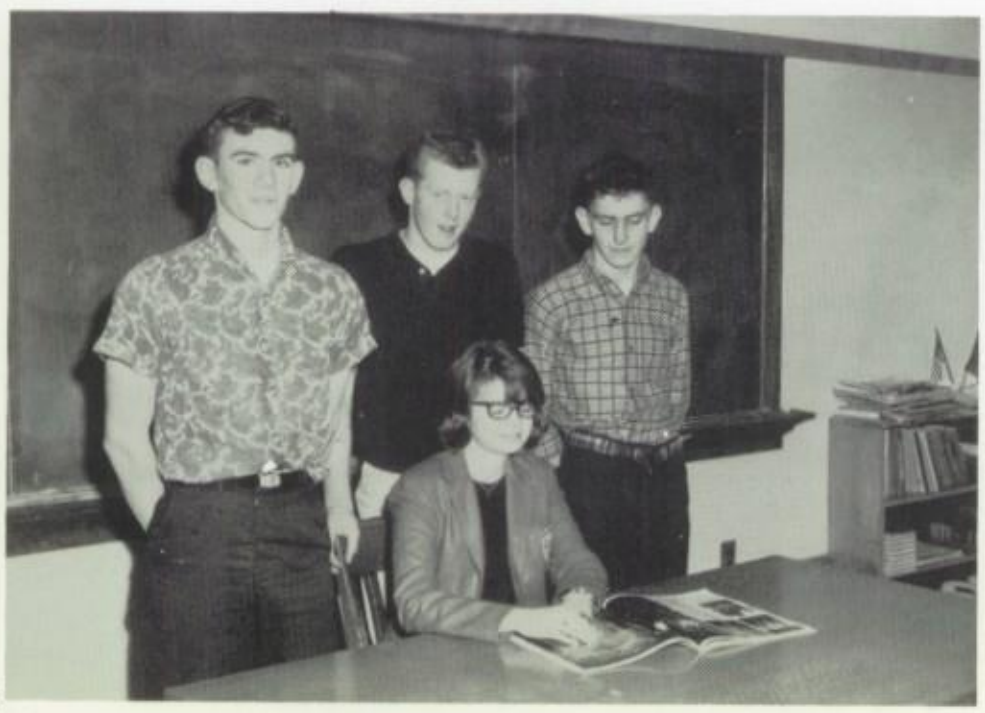
Meeting every other Friday, the members of the Junior Drama Club practice skits and short plays. In addition to their bi-weekly meetings, this group is responsible for an assembly which, under the supervision of Mrs. Prenatt, has been a high spot in the yearly assembly programs. The club provides stage experience and the needed practice for all the would-be actors in the Junior Class. The officers are as follows: President, Cheryl Barker; Vice President, Pete Heffernan; Secretary, Dave Keas; Treasurer, Hugh McCartney

Club Officers



Senior Drama Club

Rehearsal for "The Mask of the Red Death"

Under the direction of Mr. Henderson, the senior drama club presents an annual assembly for the high school. They also, through the course of the year present programs to many organizations of the community.

The motive of the drama club is to strengthen the dramatic abilities of its members.

At the meetings on Wednesdays, the members of the club present skits and pantomimes for their own enjoyment.

Production Staff Hard At Work

Sporty Seven

The Sporty Seven are a familiar sight at the home basketball games and wrestling matches. The girls sell candy at these events to raise money for the Athletic Banquet at the end of each year.

Mrs. Wygant is the advisor, the president is Diane Flickner, and the secretary is Dorothy Brown.

Left to right: L. Jolley, C. Sutley, B. Atts, D. Brown, R. Rogers, D. Flickner, C. Mong.

Ushers Club

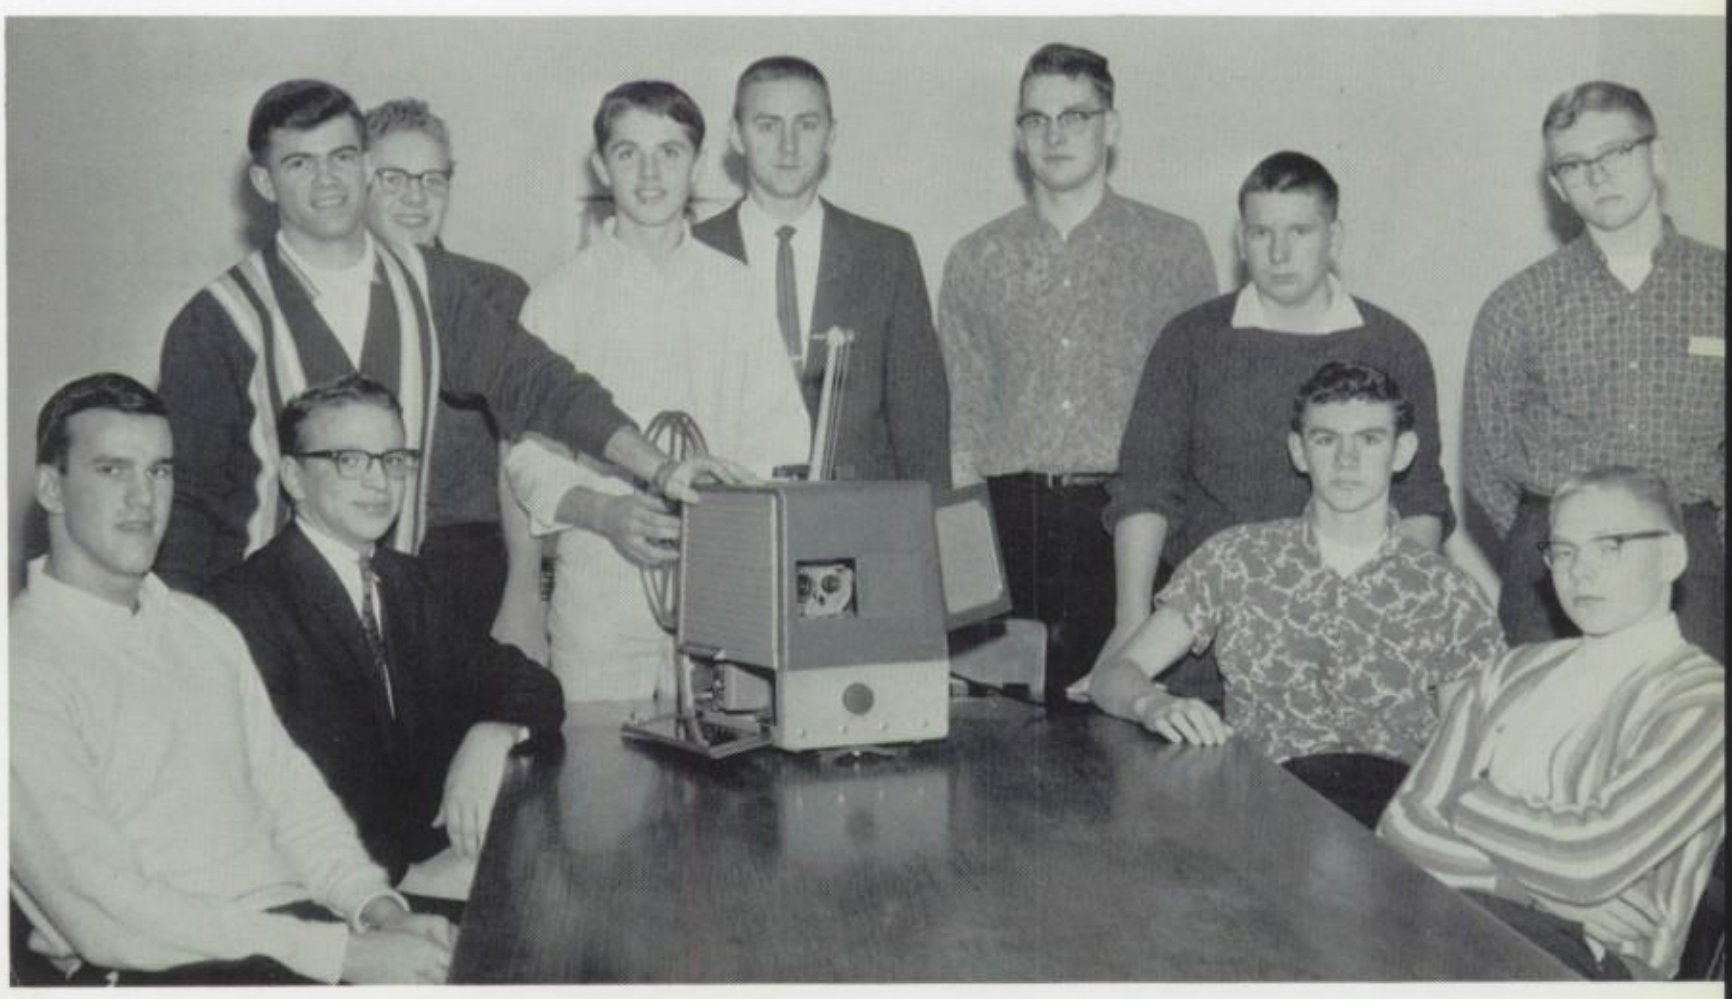
The Ushers Club is a group organized to help keep order at all home basketball games. The members of the club are familiar sights to all students with their orange caps.

Left to right: R. Stewart, D. Keas, C. McGregor, T. Fornoff, P. Pacior, R. Long.

Publicity Staff

The Publicity Staff is under the direction of Mrs. Weaver. Among their activities is the preparation of the school's news for the Tuesday and Thursday morning broadcasts over the radio and the gathering of school news and making it available so the students and public by means of the local newspaper. Also, an up-to-date scrapbook of newspaper clippings concerning the students activities and the alumni is kept.

SEATED: C. Shorts, Mrs. Weaver, M. Parks, K. Bickel, J. Beggs.
STANDING: H. Dalmaso, D. Flickner, D. Huff.



Projection Crew

The Projection Crew, comprised of freshmen, sophomores, juniors, and seniors is under the capable direction of Mr. Pfaff. The boys, after being trained, are then required to pass a qualification test. Their main job is the showing of movies in the classes and during the assemblies. They also keep the equipment repaired and in good condition.

SEATED: D. Friggle, R. Kiskadden, D. Keas, P. Kistler
STANDING: G. Hogue, B. Blair, B. Graff, Mr. Pfaff, C. Ferringer, W. Wright, and K. Smith

Fire Patrol

In case of fire these boys would play a vital role in preventing injury and death to students in the school. It is their responsibility to clear the school of all pupils. The patrol is composed of boys in the 9th, 10th, 11th, and 12th grades. The Fire Chief is Dick Stiller and the rest of the members are either captains, lieutenants or fire fighters. The advisor is Mr. Gibb.

7th and 8th Tri-Hi-Y

This organization consists of 34 girls supervised by Mrs. Dunn, the officers being: President, Sally Mong; Vice President, Barb Cole; Secretary, Sandy Grill; Treasurer, Kathy Boals. Their activities consist of the annual junior high Thanksgiving assembly, contributions to World Service, and presentation of $20 for John Harter for Christmas. The Teen Talk is discussed in the regular meetings, and they have speakers such as Kathy Chagas, our exchange student.

9th and 10th Tri-Hi-Y

The purpose of the 9th and 10th Tri-Hi-Y is to "create, maintain, and extend high standards of Christian Character throughout the home, school, and community." The club, under the supervision of Mrs. Wygant, has as its officers: President, Susan Bell; Vice President, Leslie Rodgers; Secretary, Tomann McDonough; Treasurer, Alice Collins. Their meetings include discussions of the Teen Talk. They also had a lawyer come in and discuss the issue of Civil Rights.

The 11th and 12th Tri-Hi-Y is composed of 44 members and meets the third Friday of each month under the direction of Mrs. Savage. The club's programs are interesting and varied. Some of the programs were very educational as well.

The club also sponsors several projects during the school year. The annual Senior High Thanksgiving Assembly and the Spring Dance are two of these projects. A very special project was carried out by the club in cooperation with radio station WFRA. This was the food and clothing drive for twenty needy families in our country. The response of the students of our school to the appeal of the club was extremely gratifying.

Driver Education

"Watch out! Here I come!" As the students of our school reach the age of sixteen years, Mr. Lewis, our steadfast driving instructor, gets one more gray hair.

For one semester he bravely teaches the fundamentals of operating a motor vehicle and advocates safe driving.

Learning to drive is only half of the course, the other half consists of learning legal aspects of driving.

Class Discussions

"This is how it's done."

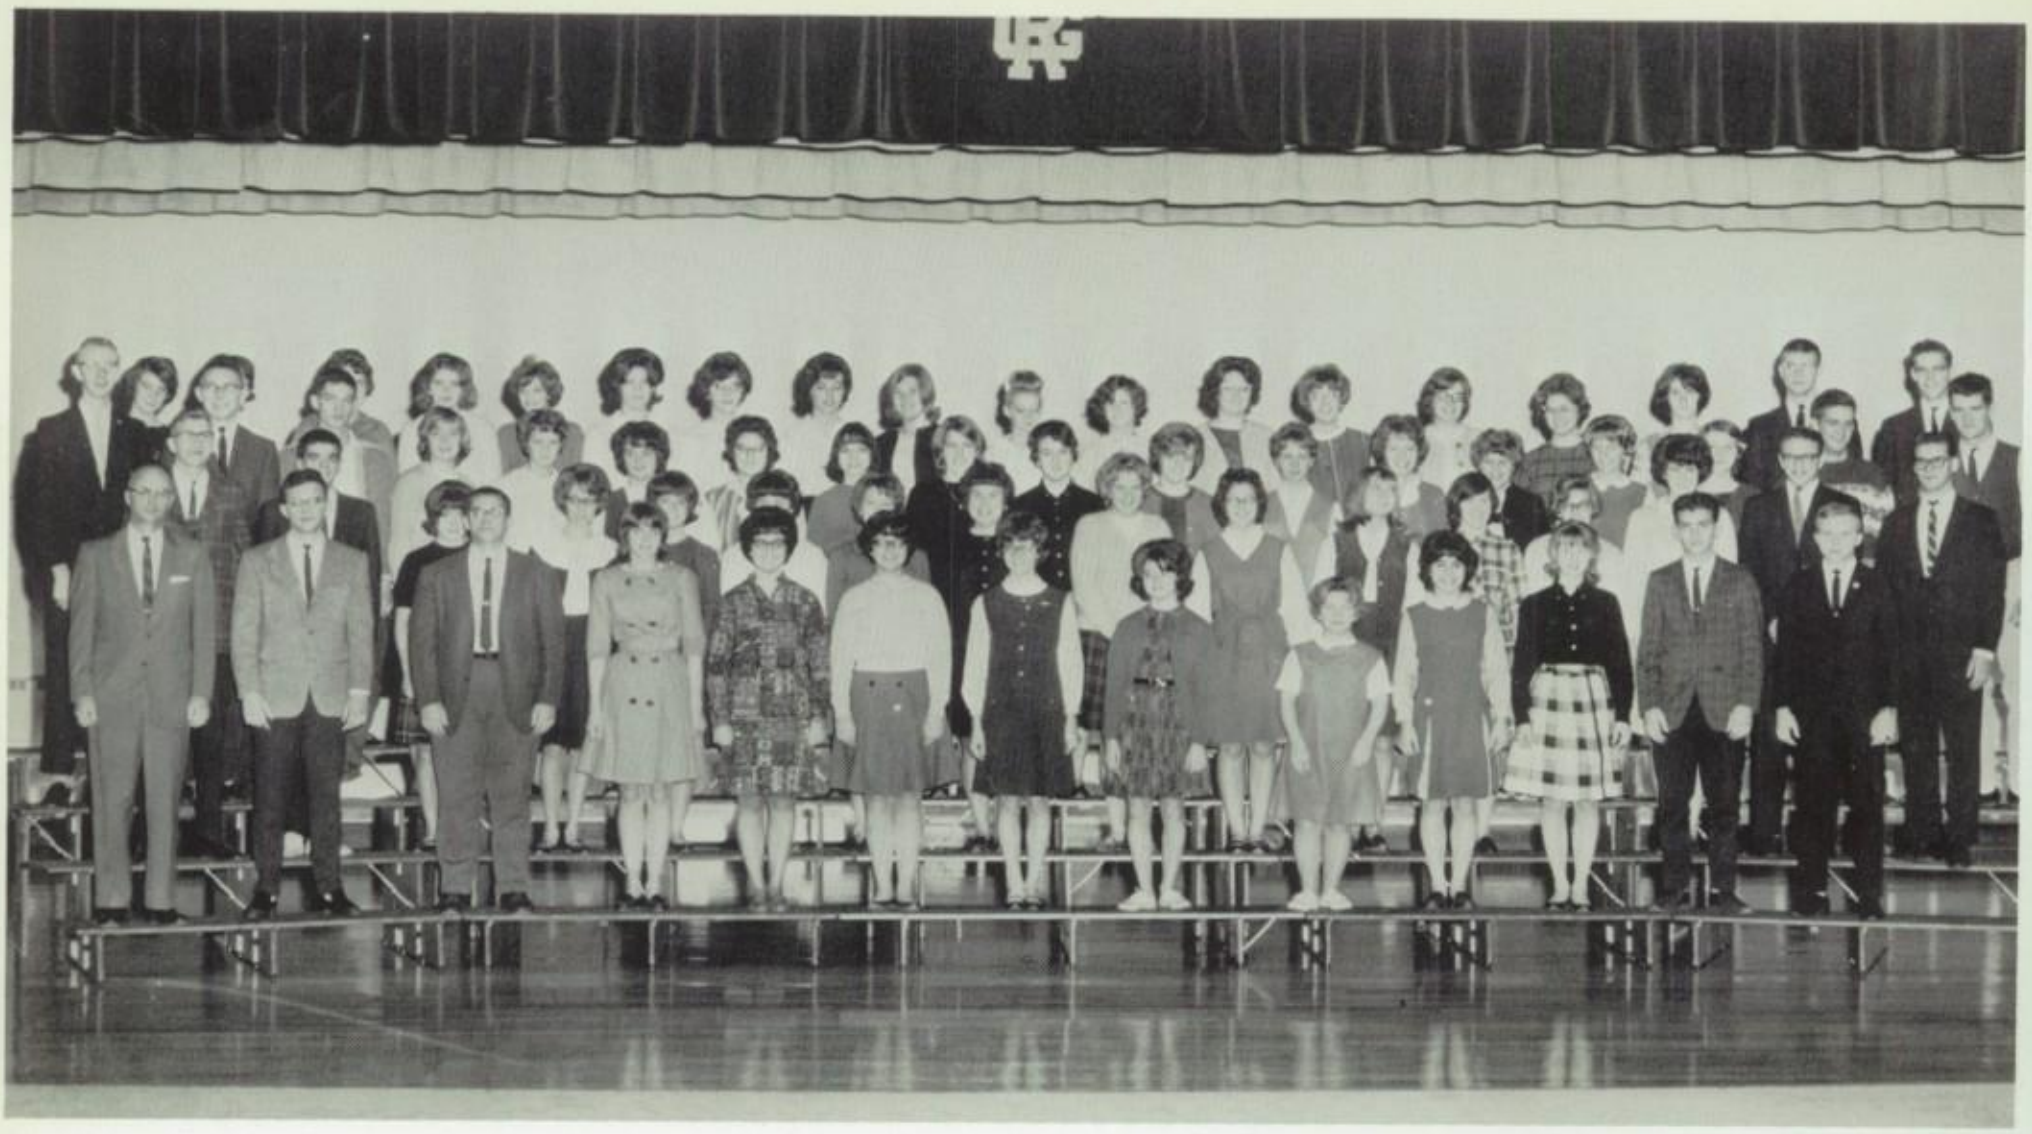
The Senior Class Play

Spontaneous laughter resounded throughout the Rocky Grove High School auditorium November 5-6, 1964, as the Senior class presented "The Late Mr. Early." From the living ghosts and airplane crashes to knock-down, drag-out fights and supernatural seances, this year's play was one of the most humorous ever presented by a Senior class.

Leading roles were filled by Jude Rogers and Tom Sollinger. A brilliant, witty performance was turned in by Brian McClelland. Sally Reib vividly acted out the part of a young matron and Norman Nellis played as her husband. Favorites of the audience were Myrna Garris and Larry Miller as the colored maid and delivery boy, Louise Smith as an Irish cook, and Sam Frantz as a morbid undertaker.

Larry Kelly and Jackie Robinson added to the merriment in roles as sweethearts of the leads. Helen Dalmaso, Linda Riddle, and John Watkins contributed some funny moments in the play.

The actors, prompters, and production staff, as well as the student director, Mark Fox, can all be commended for a brilliant job, and one which will remain in our memories long after we leave Rocky Grove High.



Senior Mixed Chorus

The Senior Mixed Chorus is kept constantly busy by their able director, Mr. Masterson. Each school morning their voices float down the halls of Rocky Grove. The chorus, composed of senior high students sing at our Christmas Assembly, Spring Concert, and at various clubs throughout the surrounding area.

The athletic program at Rocky Grove offers a well-rounded curriculum for the sports-minded boy.

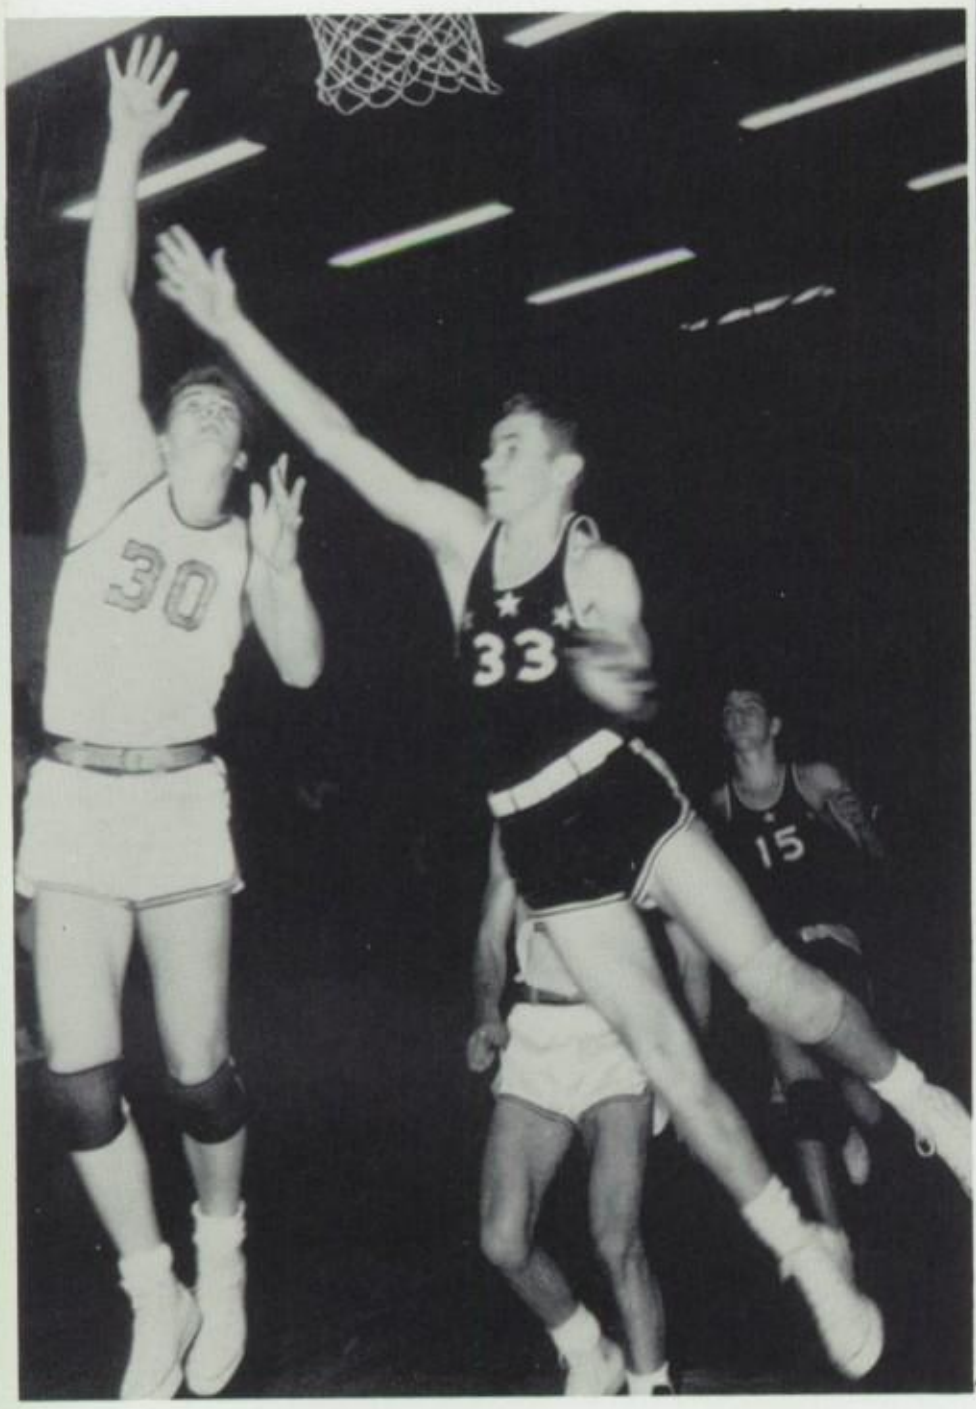
In the fall, a baseball squad is fielded to try and cop a championship already held the previous two years.

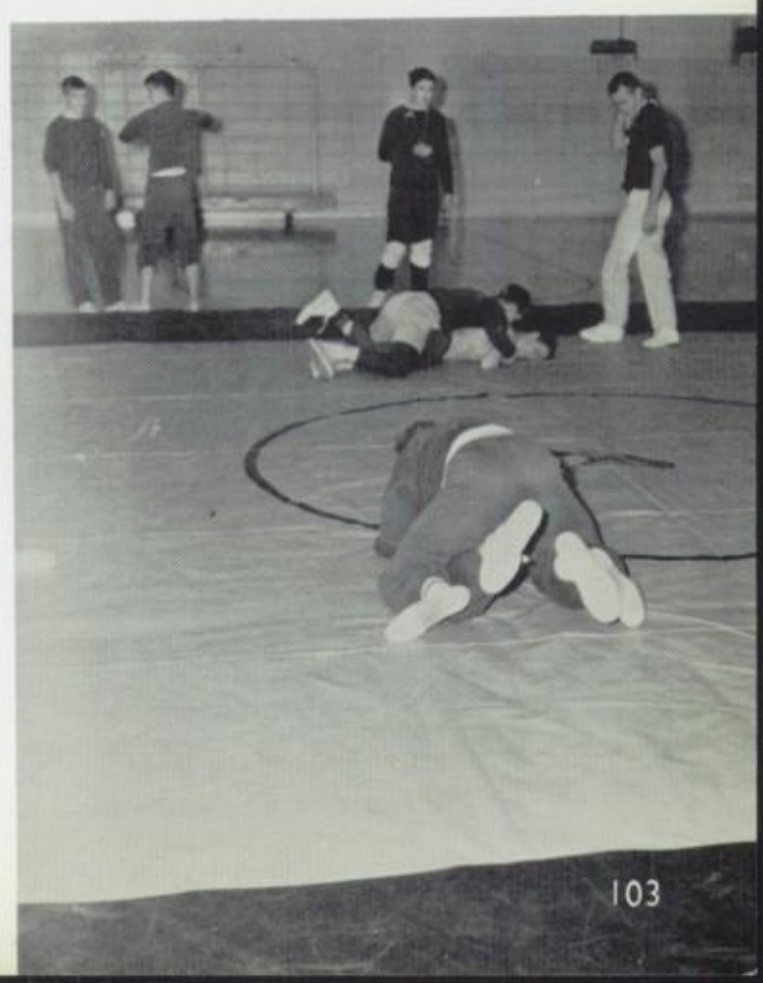
Winter brings basketballs and wrestling mats into our gymnasium as the varsity five and grapplers contend for competitive honors.

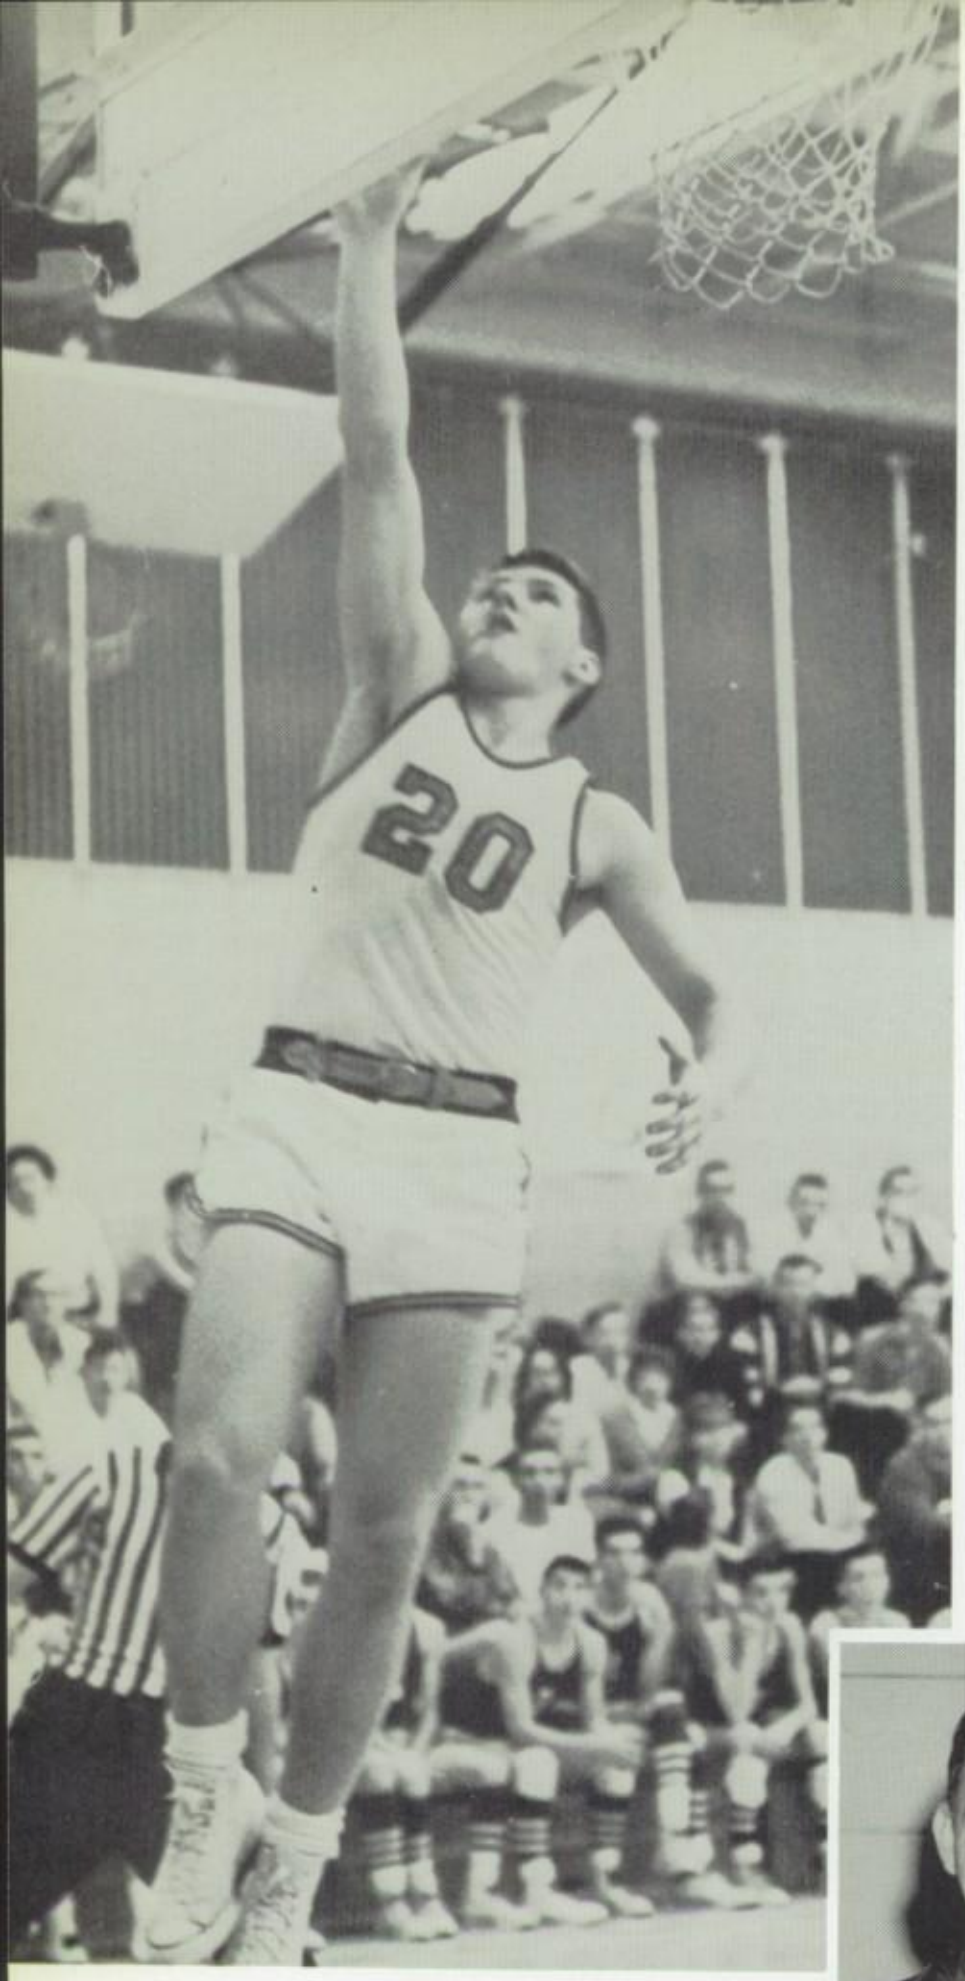
In the Spring the sweatshirts are unpacked as the "cindermen" of the track squad begin their training for district honors. Also a prospective golf team is edging its way into the sports media.

The Athletic Council composed of coaches, faculty members, and school directors, keep our sports in trend by meeting regularly to discuss the teams provided with facilities.

Sports in Action







Mighty Orioles

This year our Orioles proved to be real champions. They produced a fine 17-2 record as well as winning the Tri-County championship. Here is how they did it:

The Orioles opened up their season with an always powerful Oil City squad. They proved that they were to be reckoned with with a resounding 72-35 victory. They continued their winning way by annexing two wins over Keystone by 76-51 and 92-50 scores. Then they really opened up in their offensive game by belting Youngsville 108-51. In contrast to the heavy artillery used in that game, the Orioles copped a very ragged game in their next outing, beating Titusville 64-51.

Then came the league action. The Orioles who had not beaten Mercer in 15 years, posted a win over the Mustangs with a fine 73-63 victory. A fine team effort sparked by offense by Bogan Goughler, defense by Don Watts, rebounding by Dave Friggle, playmaking by Butch Koziara, and all-out hustle by Buddy Hogue were key factors in the win.

The Orioles then beat a strong Worthington squad to raise their string of victories to 7 straight. The next league game was one with the unpredictable Cochranton Cardinals. And unpredictable they were as the "cellar" team of the league gave the Orioles a fine battle, but bowed, 60-54.

The powerful Orioles then proved their might by beating a strong Lakeview team, rated as a strong Tri-County contender, by a 52-38 score. Scoring by Friggle, Watts, and Goughler, defense by Watts, and rebounding by Friggle were game winning factors.

The next game was an exhibition game seeing the Orioles clobber Youngsville 79-47.

The next game proved that our team was human. The Orioles bowed to a strong Worthington squad, 74-73.

Varsity defeats Grads in first annual alumni game!

Tri-County Champs

The Orioles, not to be denied by the Worthington loss, came back in championship style in their next league outing. They handed Cranberry a 65-60 defeat. The Berries were game and made it tough for awhile, but poise and determination came through and gave our team a victory.

The next game was with the always tough Mercer squad and tough they were as the Orioles squeaked out a 54-51 win.

The next game, with Cochranton, proved to be a bit easier win than the previous encounter with the Redbirds. The Orioles pulled out a 96-46 win with ten players hitting the scoring column.

Lakeview then came to town to try to stop the Orioles' string of victories. But, the sailors had their boat sunk and hopes of Tri-County contention along with it as the mighty Orioles handed them a 49-46 loss. A fine game by Goughler, and some clutch foul shooting by Don Watts, were vital factors in the victory.

In another exhibition game, the birds, disposed of Titusville by a 72-44 score.

Rounding out league play and giving the Orioles an 8-0 slate in Tri-County action, they blasted a somewhat confident Cranberry team by a 71-56 margin. In this game Bogan Goughler put on a one-man scoring show by netting 34 points.

Rounding out the season, the Orioles lost a tough one to Oil City by the score of 68-67.

The Mighty Orioles then went into the District 10 playoff in their quest for a district and state championship.

Rocky Grove was crowned the Tri-County Champions with a perfect 8 - 0 record. On March 2 the Orioles entered district playoffs against Cambridge Springs. A capacity crowd at Meadville High School watched the Orioles lose a heartbreaker by the score of 60-51. A very cold first half was the deciding factor in the lose. A good showing in the second half was not enough to pull the game out. Even though our team lost in the playoffs the students and the fans were proud and will always be proud of the 1964-65 Orioles.

This year's varsity team was made up of nine Seniors, one Junior, and two Sophomores.

Not only was the 17 - 3 record great, but also the contributions of the individual players were outstanding. The leading scorer for the second straight year was Bogan Goughler with a total of 400 points and a 20.5 game average.

Tri-County

Second in scoring was Don Watts with a total of 262 points. Don was also the outstanding defensive player. Dave Koziara was the quarterback of the squad. Butch's deadly accuracy from twenty feet or more netted him a total of 181 points for the season. Dave Friggle, the biggest man on the team, was also the big man in rebounding. Dave averaged 18 rebounds a game and had a 231 points for the year. Buddy Hogue's hustle made him a fierce competitor on the floor. Buddy's season total points was 160. The other four seniors, Dick Stiller, Butch Blair, Bob Exely and Steve Woods always worked hard whether on the floor or in practice.

The only junior was Jim Ritchey. Jim will be the backbone of the 1965-66 action of the Orioles. Jim showed uncanny accuracy in shooting as he hit five of six shots in the Oil City game. The two other boys rounding out the team were Allen Blyler and Tom Flickner. Bill Graff was the student manager.

The 1964-65 Orioles gave Rocky Grove its best season in 15 years.

Varsity Cheerleaders

Varsity Cheerleaders

What is a cheerleader? Being a cheerleader at Rocky Grove means something very special. Along with leading the crowd at games and pep-rallies, cheerleaders spend much time painting signs, keeping a bulletin board, planning Orange-and-Black Days, and promoting good school spirit and sportsmanship throughout our school. Junior High Cheerleaders are also coached by the Varsity Cheerleaders. Besides the honor, who knows better than a cheerleader the thrill and excitement of urging the mighty Orioles on to another victory?

We as a school can be very proud to be represented by our six Varsity Cheerleaders, Seniors Karen Harton and Margie McCarthy, and and Juniors Marilyn Jennings, Joann Weaver, Helen Kozella, and Debbie Piel.

Junior Varsity Basketball

Following the great example set by the Varsity, the J. V. team provided the opposing teams with outstanding games. Displaying great form, will to win, and good sportsmanship, the J. V. team supported a 12-6 record.

The team, coached by Mr. Beightol, demonstrated future potential, and should be an excellent team in the next few years.

Consisting primarily of freshman and sophomores, the little Orioles defeated more experienced and bigger teams with all-out hustle and determination.

Junior Varsity Cheerleaders

The Junior Varsity Cheerleaders with their peppy cheers spark the spirit of the spectators at the basketball games. At the away games they provide the support for the team that is needed to win those more difficult games.

A large amount of credit can be given to the cheerleaders for the great success of the "little" Orioles fine record this season.

The players hash it over.

The Rocky Grove Baseball Team continued its dominance of the Tri-County League by chalking up eight wins without a loss. This sends the winning streak up to seventeen. The team clicked with a fine combination of pitching, hitting, and fielding.

Although the loss of seniors was high this year, much valuable experience was gained by the underclassmen and the outlook for another fine season is in the forecast.

Twice! How about that!

Gee, I wish this game would begin!

Wrestling

This was the first year for wrestling at Rocky Grove High Shcool. Although the won-loss record looked unimpressive, a more thorough look at the team provides good hope for the future.

Three boys have done outstanding jobs. With two matches to go, Larry Miller (8-1), Charles Hoffman (7-1), and Terry Zinz (6-1-1) deserve special recognition. Ralph Beach, Dave Kope, and Dennis Zinz all won their share, and Gary Hoffman was 3-0 when he broke his elbow while sledriding. Only Dennis and Larry will not return next season. Seven of the first team were only Freshmen and Sophomores. The thirty boys who participated are all anxiously waiting for the next season where they can put their experience to use.

A fine season is expected this year from our track team. With strong help from our returning lettermen we hope to go far.

In the running events much of the responsibility will fall on Sam Frantz, Allen Blyler, and Glenn Hogue.

In the field events much of our strength will be in Bogan Goughler who will pull in the points in javelin. In discus, we have great hopes in Dick Eddinger. Junior Rodgers will be a top contender in broad jump.

The coaching staff consists of Mr. Lewis, Mr. Holden, and Mr. Fehlman

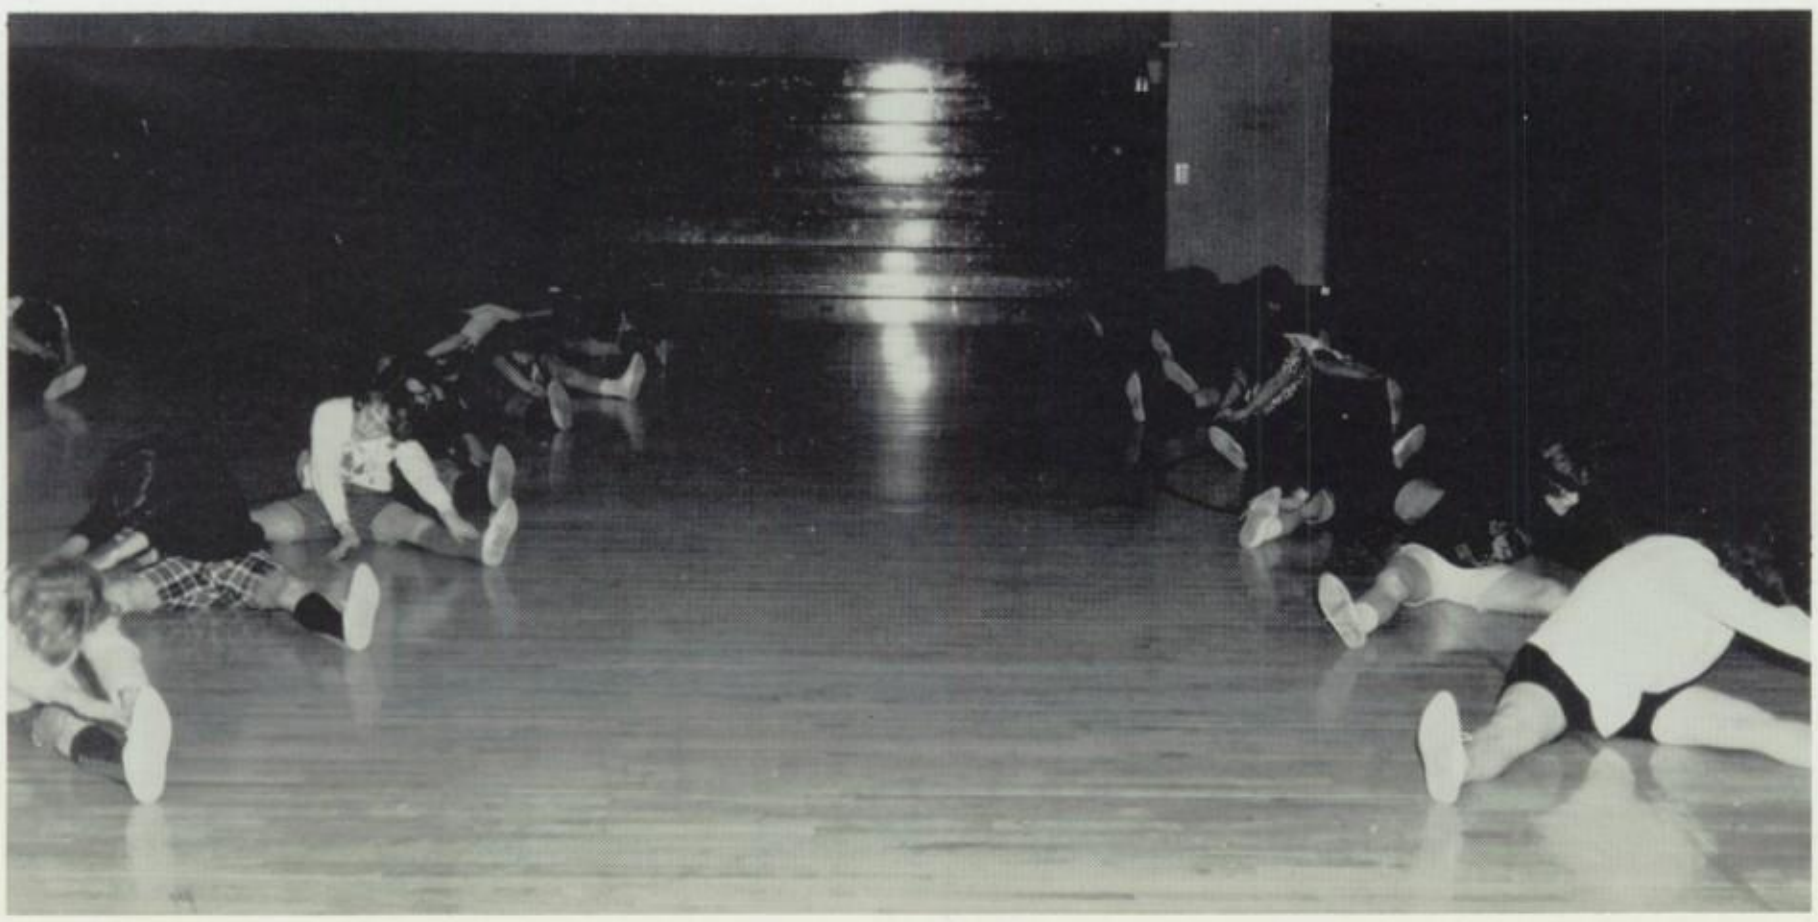
Exercise 1 - 2 - 3



Intramurals

The Intramural Basketball program plays an important roll in our school's athletic program. Under the supervision of Coach Curran, boys in grades 7-9 participate in this intra-school competition. The program is designed to help the boys learn the fundamentals of basketball and the feeling of good sportsmanship.

Eighth grade All-Star game.

Our team is G-R-E-A-T!

The boys are divided into two sections, seventh and eighth, and ninth grades. Coach Curran chooses a team captain and then proceeds to pick evenly divided teams. At the end of the season, the outstanding players on these teams are chosen to play in the All-star games.

The mainstream for our Hilltopper Staff has been the making of this book. We have worked hard and hope we have successfully captured the current of this year for you.

A stream cannot grow without tributaries; we are thankful for the interest shown and cooperation given to us by Mr. Terry Wilson and Mrs. Josephine McCoy, the faculty advisors; Mr. William Moore, the Taylor Publishing Company representative; Mr. Edward Brustle, the photographer; the business patrons; and the faculty and administration of our school.
